## Volunteer Sign-Up Form: (required form) Complete parent and student name block at the top

The Copley Music Boosters depends heavily on volunteers to help raise funds to support our music programs. We ask that each parent donate time each year in support of their student and this department. Check the areas below in which you are interested in volunteering your time. A Booster representative will contact you to provide you with more information.

E-mail information is requested to facilitate volunteer communication, to coordinate activities, and to inform volunteers of other music department related information. Thank you for supporting the Copley Music Programs.
