E. New Business

Mr. Poe, Superintendent, said he was very concerned with potential transportation issues next school year. He said he realizes that parents have been accustomed to having their children picked up at their homes and transported to and from school daily. Unfortunately, there is an extreme shortage of bus drivers throughout the state of Ohio and country. If we are not able to hire and train additional drivers, we will have to adjust routes by grouping students and picking up at central locations instead in front of homes. The bussing situation has affected extracurricular activities, curricular activities and athletics already. He said the district is trying as hard as they can to hire drivers and he would prefer not to have to adjust the way bussing has been done but there may be no other options. He said we have plenty of busses, just not drivers. We continue to purchase busses and vans in order to have the vehicles necessary but we need somebody to drive them.
