B.. Topics

1. Fanning Howey Presentation

Dan Obrynba, Fanning Howey, presented potential renderings of the high school entrance and food service areas. He also went over the expected budget for the bathroom renovations at each building, cafeteria renovations, athletic complex renovations, sewer service modifications, auditorium upgrades, locker room upgrades and other renovations.

2. Review of the September 20, 2022 Agenda Items

A review and discussion of the Tuesday, September 20, 2022 regular meeting agenda occurred.

3. Transportation

Mr. Steve Robinson, Business Manager, gave a presentation on the state of transportation. The bottom line is there is an extreme shortage of drivers across the United States and we are experiencing it first hand at Copley-Fairlawn. Adjustments have been made to routes; however, with the potential of absenteeism of drivers in the future because of medical reasons, the district may not be able to transport all students. A sign-on bonus paid for with federal stimulus funds will be recommended at the regular board meeting in September as an option to attract drivers.

4. Staff Appreciation

The board of education wanted to offer shirts to all employees the past two years as a sign of appreciation and award for working so hard during the Coronavirus (COVID-19) pandemic. There was a shortage of materials, so shirts were not possible until now. Each staff member will be offered a shirt/pullover as a token of appreciation.
