B. Recognition of the Public

The Copley-Fairlawn City School District Board of Education feels that while public participation in Board meetings is not required, it is a valuable way to receive input from community members. The Board will not enter into debate or discussion on any matter brought forward, instead the information will be forwarded to the proper individual for possible follow up. Those who wish to participate in the public comments section of the agenda must sign in on the sheet available at the entrance to the meeting. Those signed up to address the Board should limit their comments to a maximum of three minutes until the total time of 30 minutes is used according to Policy BDDH (Also KD) and Ohio Revised Code 121.22 and 3313.20.

Rachel Sutphin and Jill Saris, both 7th grade students at Copley-Fairlawn Middle School, voiced concerns about the 2022-2023 school year class schedules that are currently being worked on. They are concerned that lengthening the time for classes will give less choices for electives like music, art and foreign language. They indicated increasing flex time that is already in the schedule just gives more time to play games and watch YouTube. Mr. Poe offered to meet with them after the meeting along with Mr. Williams and Mrs. Kirsch, Assistant Superintendents.
