

Cross Country Parents-

Cross Country camp will run from **Thursday, July 26** arrive noon-**Sunday July 29** return afternoon. The cost for camp is **\$210 per runner, \$105 for siblings**, chaperones free. Camp is located at Camp Widewater.

We are looking for parent **drivers & chaperones** (cooks, runners, etc) to come to camp with us. This is a parent-run camp, without help from the school. In order to have camp, we must have enough parent volunteers. Please consider helping, by chaperoning or driving runners to or from camp. We will need more drivers than those who are chaperoning.

There are many activities at camp in addition to running. There is swimming, mud pit, archery, and canoeing. For entering freshman, the returning students are very welcoming, and there is nothing better than walking into your first day of high school and seeing several friends from camp...this is a GREAT group of kids!

Please return the attached permission slips with payment by June 17 to:
