

Dear Students and Parents,

Scholastic Reading Club is now a whole lot easier!

Now that your teacher has registered for Reading Club online, you are able to take advantage of some awesome features to grow your club and help build our classroom library.

1. This is the Class Activation Code. You will need this code for the initial account setup and to start placing orders online and paying with a credit card.

MDVHN

2. Your teacher will be notified every time you place an order online. Your teacher will submit these orders with the rest of your class order. This will be completed monthly or as needed.

3) If you are interested in still paying by check, please use the information on the website to write down the title, quantity, price, and total due (as you have done in the past). I will submit the orders online monthly or as needed.

Thank you for being a Scholastic Reading Club member!
