

Blizzard Bag Assignment #3
Microsoft Power Point Review

1. What ribbon do you click on to change the theme of your slides?

2. What is it called when you make a picture or words "move" on a slide?

3. What is it called when you change the effect of going from one slide to the next?

4. How do you add a clip art sound to a slide (3 steps)?

5. What ribbon do you click on to change the layout of a slide?
