

## **Day 1 Second Grade Arrowhead**

Please work with your child the best that you can. Please send in the completed papers.

**Reading/Writing** – Read for 30 minutes and write your responses on the attached worksheet.

1. What is the main idea of what you read?
2. Give 3 supporting details from the text.

**Math** – Practice facts for 10 minutes (flash cards, Everyday Math fact dash, etc.) and then complete the attached "Down Hill Racer".

**Science/Social Studies** – Weather Comparison – Use the internet, TV weather report, newspaper, etc. to research the weather in two major cities anywhere in the world. Compare and contrast your results to the weather in Akron, Ohio using the attached chart

# Weather Comparison Chart

Name \_\_\_\_\_

Use your computer, TV, weather report, newspaper, etc. to compare and contrast the weather in three cities. You may choose cities anywhere in the world to compare to the city where you live.

	<u>Akron, Ohio</u> <u>USA</u>	City #2 – (State) – Country	City #3 – (State) – Country
Today's High Temperature			
Today's Low Temperature			
Use words or pictures to describe what it looks like outside.
