

DAY TWO Art One/Art Foundations Blizzard Bag: Elements of Art Book

Lesson Summary: Students will make a creative booklet that defines and shows examples of the Elements of Art.

They will make one page per term as illustrated below.

DAY TWO: Shape, Form, Space

Objectives:

1. Students will define each of the Elements of Art listed at the bottom of this page by either typing or writing it out in a unique way.
2. Students will find and cut out three examples of each of the Elements of Art and will glue them to the corresponding page with the work and definition.
3. If student does not have a sketchbook, they must find an interesting way to bind the pages of the booklet together.

Element of Art

- Line, Shape, Texture (implied, actual), Form, Value, Shape, Space (positive, negative), Color (primary, secondary, intermediate, monochromatic, analogous, complementary).
