

## Fort Island Third Grade “Blizzard Bag” Assignments Day Three

### Language Arts

Log in to Raz-Kids (<http://raz-kids.com/login>). Your user name and password are in your student planner (your password is your lunch code). Click on “your assignments” to choose a book. Listen to the story, read it silently to yourself, and complete the quiz. Record your score on the summary template. Using this same book, complete the summary assignment (attached).

### Math

Log in on the Everyday Math site. Your user name and password are in your student planner.

1. Go to EM Fact Workshop, click on “Play Facts Workshop Game”, go to “Enter Workshop”, select “multiply and divide”. Select “gold” and choose a zone. Continue the game until you complete one level.
2. Click on “EM Games Online”. Click “Games”, click the Grade 3 tab. Complete one game of “Exchange Game”.

\*You will not have to record your score, your teacher will be able to see your login time and activities completed on this site.
