Music

Blizzard Bag Assignments Day 3

Kindergarten/1st Grade

Use the three items you found for your last assignment. Play the steady beat along with a song on the radio or sing one of your favorite songs. Find a new song to sing or listen to on the radio. This time play the rhythm (the way the words go) along with the song. Try to play the steady beat, then switch to the rhythm.

What song did you use to play the steady beat? _____

What song did you use to play the rhythm? _____

2nd Grade

Find an item in your house that you can use as an instrument. (Example: pot, pan, trash can, container) You may play your instrument with your hands or you may find something to use as a mallet (Example: spoons, pencils, spatula) Use good judgment and ask permission before you use items for instruments. Write down what you used for an instrument. Write down what you used for a mallet.

Instrument _____

Mallet _____

Sing the song you made up on day 1. After you sing, play your 8 beat rhythm pattern two times. Sing the song again. Create a form for your piece of music. The song would be the "A" section and the rhythm would be the "B" section. (Example: ABABA or AA BBA) Follow the form and perform your piece of music for a parent.

Form _____

3rd/4th Grade

Gather the instrument and mallet you used for your rhythm pattern on day 2. Find one or two more instruments that make sounds that are different from your first instrument. Write the name of the instruments you chose.

Instruments _____

Practice playing your rhythm pattern using all of the instruments you gathered.

Write your rhythm below and color each rhythm according to what instrument you used to play that rhythm.

(Example: quarter note = pot = green, two eighth notes = trash can = yellow)
