

## Day 3 Second Grade

Hello Parents!

Please work with your child the best that you can. Please send in the completed papers.

**Reading/Writing/Science**– Read the attached poem about ducks and complete the information. Scientists ask good questions; on the “Forming Questions” paper create questions about ducks. What questions do you have about ducks, about the poem, about any vocabulary words, etc.

**Math** – Complete the attached “Today’s Number Paper”.

**Social Studies** – Write the directions from your front door to your back yard. Then draw a colorful map of your bedroom.

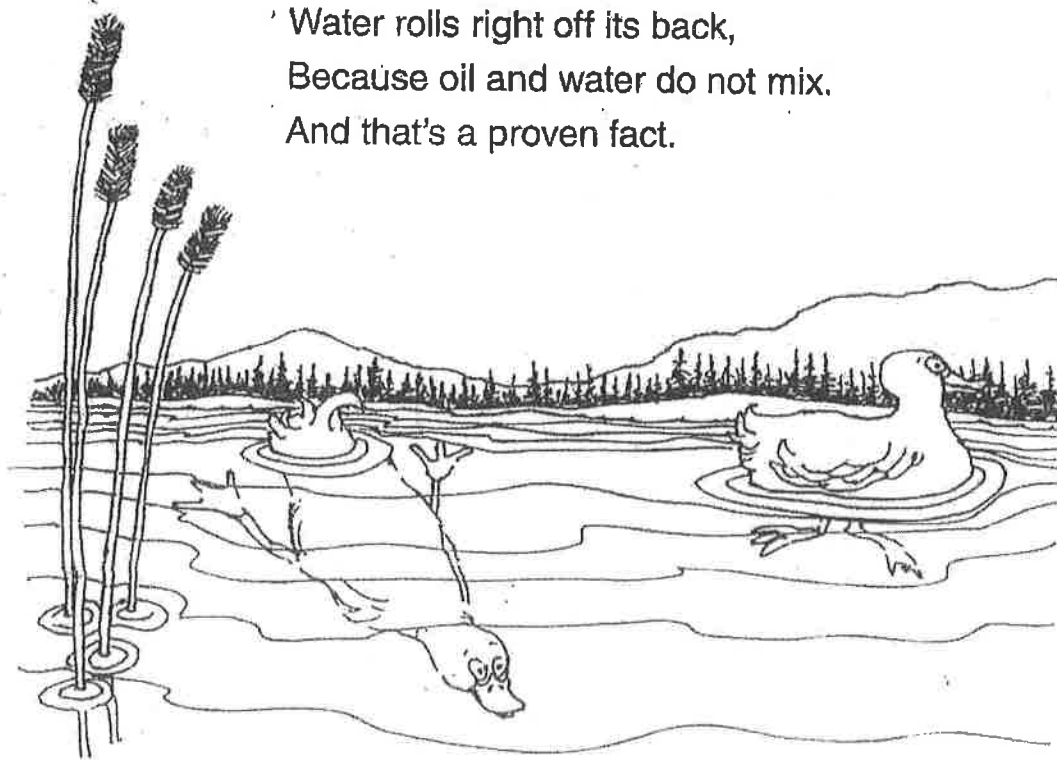

# Ducks Don't Get Wet

A duck is waterproof.  
Water rolls right off its back,  
Because oil and water do not mix.  
And that's a proven fact.

A duck preens every day,  
In damp or sunny weather.  
The duck spreads oil with its bill  
Over every feather.

Diving underwater,  
As it looks for food to eat,  
Its oily feathers keep it dry  
From its head down to its feet.

A duck is waterproof.  
Water rolls right off its back,  
Because oil and water do not mix.  
And that's a proven fact.

Name \_\_\_\_\_

**Ducks Don't Get Wet**

**Questions About Ducks Don't Get Wet.....**

Write the answer to each question.

1. Why does a duck need oily feathers?

\_\_\_\_\_  
\_\_\_\_\_

2. Where does a duck find food?

\_\_\_\_\_

3. How does a duck spread oil over its feathers?

\_\_\_\_\_

4. What two things does the poem tell you will not mix together?

\_\_\_\_\_

5. What word in the poem rhymes with each word below?

feather \_\_\_\_\_

feet \_\_\_\_\_

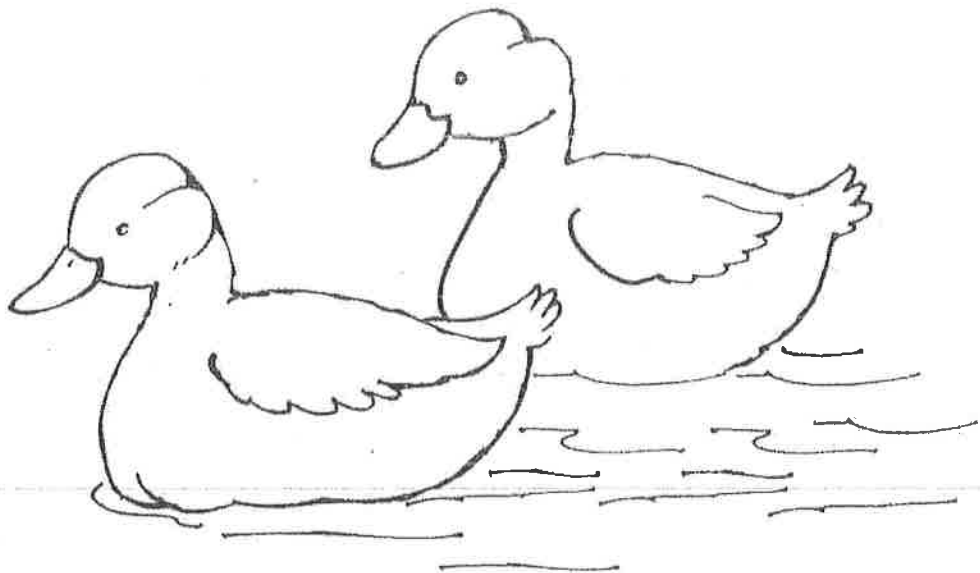

6. Where could you go to see a duck in water?

\_\_\_\_\_  
\_\_\_\_\_

Name \_\_\_\_\_

**Ducks Don't Get Wet**

**Ducks Don't Get Wet** .....

Tell how ducks keep their feathers dry when they are in water.
