All students in grades 5-8 will take the state achievement tests as designated by the Ohio Department of Education.

1.07 TEST SECURITY

All test materials (except for practice test materials) are considered secure. No test questions or materials should be reproduced in any manner. Students confirmed of cheating or helping others to cheat will have their tests invalidated and may be subject to further disciplinary action.

1.08 GUIDANCE

Guidance counselors are available to assist students or parents in making educational decisions or working through personal concerns. The guidance program involves three components: classroom guidance, small group discussions and individual sessions. Parents may contact the counselors through the guidance office secretary at 330-664-4877. Students may stop in to see a counselor any time, before or after school, during lunch / recess, or to make an appointment through the guidance secretary. A pass is needed for students to leave class to go to the guidance office.

1.09 PARENT/TEACHER CONFERENCES

The dates of these conferences are published in the School District Calendar and in the Newsletter. Parents may request a conference at any time throughout the year, and can make arrangements through the guidance department, at 330-664-4877, from 8:00-3:05 each day.

ATTENDANCE POLICY 2.00

ATTENDANCE

In the interest of pupil progress and success, regular and punctual attendance is extremely important. However, a student who is ill should not be in school. For the safety of the students, those leaving early will be required to be picked up at the front entrance off Cleveland-Massillon Road, in the main office. **Parents must come to the main office and sign the student out. No student is to leave school grounds without permission before, or during the school day.** If a student leaves and then returns to school, he/she must sign in through the main office for a pass to class. In the event the parent or guardian wishes another person to pick up the student, the parent or guardian must provide written authorization or verbal contact by telephone to the building principals to allow the student to be released to another person. The person having authority to take the child must sign him/her out in the main office. If one parent has been awarded custody of the student in a divorce settlement, the parent in custody as defined in statute (R.C. 3313.64) shall inform the school of any limitations in the rights of the non-custodial parent. Without such notice, the school will presume that the student may be released into the care of either parent.

2.01 ATTENDANCE PHILOSOPHY AND REGULATIONS

The Copley-Fairlawn Middle School faculty and administration feel strongly that good attendance and punctuality is essential to academic achievement, and that they also prepare students to be successful in life after school. The attendance policies of Copley-Fairlawn Middle School have been established to set reasonable expectations for attendance that will insure the appropriate, active involvement of students and help them to attain their educational goals.

2.02 EXCUSED ABSENCES (65 HOURS PER SCHOOL YEAR)

Attendance is governed by the Ohio Compulsory Attendance Laws. Copley adheres to these regulations, which are specific and leave little option for school officials to excuse students from school. Acceptable reasons for an excused absence are:

1. Personal illness or illness in the immediate family (or quarantine of the home)
2. Funerals (up to 13 school hours excused)*
3. Work at home (emergency only; not to exceed 32.5 school hours)
5. Religious holidays
6. Medical or Dental health issues, excused with a physician's note within 5 days of the absence*
7. Prearranged absences (see: Prearranged Absences and Family Vacation Absences below)
8. School sponsored field trips, juvenile detention, court appointments*
9. In-School Alternative Placement and Out-of-School suspensions (see discipline definitions, student code of conduct)

2.03 EXCESSIVE ABSENCES (LIMIT FOR PARENT-EXCUSED ABSENCES)

Per O.D.E., House Bill 410, Students may not be absent for more than 38 or more hours in one school month with or without a legitimate excuse; or absent more than 65 or more hours in one school year with or without a legitimate excuse. Parent notes will not be accepted for absences beyond the 65 hour limit. **All absences beyond the 65 hour limit will be unexcused unless they are accompanied by a physician's note or a court document.**

Further details are located in Copley-Fairlawn B.O.E. Policy JED.

TRUANCY

*Attendance in school is very important in order for your child to benefit from the education provided. A student is considered Habitually Truant if they are absent for 30 or more consecutive hours without a legitimate excuse; absent 42 or more hours in one school month without a legitimate excuse; or absent 72 or more hours in one school year without a legitimate excuse.

2.04 ANNUAL STUDENT INFORMATION UPDATE

All parents/guardians must have updated the online Annual Student Information Update by September 6, 2019. Students who do not have their online information updated may be prohibited from attending school.

2.05 REPORTING ABSENCES

In order for the school to have more information concerning the health, welfare and safety of students, parents should follow steps 1, 2 and 3 listed below regarding absences:

1. If the student is going to be absent or late in arriving, the parent must notify the school of the absence by 8:30 A.M.
2. Parents should call the following number to report all absences: 330-664-4980 (24 hour automated attendant)
3. The student must bring a note from his parent or guardian the day he/she returns if the school was not previously notified.
4. Students who arrive at school without a doctor/dentist note will be considered unexcused tardy.
5. The following procedure will be followed if a student is absent and the school has not been notified by note or phone by 8:30 A.M.
 - A. The child's first contact will be called and a voicemail / message will be left.
 - B. The parent's work number will be called if unable to leave a message at home.
 - C. The child's emergency numbers may be called.
 - D. The police may be notified.
6. Any continual attendance problems will be referred to the attendance officer.
7. Any unexcused absence will be considered truancy, and appropriate authorities may be contacted.

2.06 PREARRANGED ABSENCES

Students taken out of school for trips and vacations must complete a pre-arranged absence form. These are obtainable in the Gold Office or on the Copley-Fairlawn website under the Middle School forms section. Instructions on these forms must be followed.

2.07 FAMILY VACATION ABSENCES

Family vacations are absences that will count in the 65 hour yearly limit on approved absences. The absence will be unexcused unless all of the following criteria are met:

1. One of the student's parents or legal guardians accompanies him/her on the vacation.
2. The Vacation Form, obtained in the Main Office or online, is submitted 5 days prior to the absence.
3. The student must not be in danger of failing any classes and must have an acceptable attendance rate.
4. The student must obtain assignments and submit them as determined by the individual teacher.

Note: Maximum of 5 vacation days for the school year allowed.

2.08 MAKE-UP WORK POLICY FOR ILLNESS

The student's role:

1. Ask the teacher for missed assignments immediately upon return to school.
2. Ask for assistance on assignments missed during absence if needed.
3. The normal time frame for make-up work/tests shall be the number of days absent, and work is due on the following day during the appropriate class time.

The parent's role: Request assignments by telephone 330- 664-4900 or by note for students. If the office is notified by 8:30 A.M., assignments should be ready by 3:00 P.M. If notified after 8:30 A.M., assignments should be ready around noon the next day.

2.09 INCOMPLETE WORK

It is the responsibility of the student to be sure that all assigned work is completed on time. If for reasons of extended absences (illness, etc.) the student receives an F for incomplete work, it is the student's responsibility to arrange make-up work for the teacher. Failing grades that are not made up within the number of days absent (not to exceed one week without teacher or administrative approval) will remain a failing grade.

2.10 TARDY TO SCHOOL / CLASS

1. Students not present in their homeroom at the start of the school day at 8:12 will be considered tardy to school.
2. Students not present in their classroom when the bell rings to start class will be considered tardy to class.
3. Doctor or dental appointments are excluded from this policy.

***If your child is late to school the parent/guardian must come into the building to sign their child in.**

PROGRESSIVE DISCIPLINE PROCEDURE FOR TARDINESS

***Tardy to school / class will be calculated per semester**

Tardy to School

1-5 tardy: Verbal warning (letter home or call home from administrator on 5th tardy)

6 tardy: 1 after-school detention or alternative consequence

7-11 tardy: 1 after-school detention for each tardy or alternative consequence

12 and above: ISAP or alternative consequence

Tardy to Class

1-2 tardy – Verbal warning

3-4 tardy – Teacher assigns after school detention for each tardy

5th tardy – On the 5th tardy, 1 day of ISAP is assigned

*Continued tardiness may result in progressively greater combinations of consequences. Tardies will reset at the start of each semester.

INFORMATION 3.00

3.01 OFFICE

The purpose of the office is to carry on the business of the school. To aid in transacting this business efficiently, students are asked to note the following:

1. The student is welcome to come to the office when he/she has a problem or when he/she needs information or assistance. He/she should remember that it is a place of business, act in a courteous manner, and quickly state the reason for being there. Students will not bring groups of friends who might disrupt the office.
2. To visit the clinic, students must bring the clinic pass from a teacher.
3. The telephone in the office is for school business. Students are to use it only in case of emergency and with the permission of adult personnel.
4. To use the phone in the Gold Office, students must have a phone pass from a teacher and get permission from the secretary.
5. Classroom phones may be used with the teacher's permission. Students not reaching their party should leave a detailed message.

3.02 MEDICATION – ADMINISTERING MEDICATION TO STUDENTS AT SCHOOL

Students who have to take prescription medication must have a form completed and signed by their physician. Students who require over the counter medication during the school day must have a form completed and signed by parent/guardian. Board of Education Policy JHCD and Ohio state law both require signed Medication Authorization Forms on file before any medication can be disbursed at school. All medications must be left in the Main Office. Students are not permitted to possess any medication during school hours. Medications in the possession of students will be called contraband and a disciplinary consequence will be assigned. Students may carry their own prescription asthma inhalers and Epi-pens with the proper paperwork turned into the office. These forms are available in the office, or can be faxed to your physician in an emergency.

3.03 CLINIC

Students need a pass from their teacher to come to the clinic, located in the Main (Gold) Office. This means that students should not come to the clinic as they transition from class to class (unless there is an emergency). This allows us to maintain a secure school environment. Students are allowed to remain in the clinic for a limited time. Students may also call home, with permission from the nurse or medical assistant to be picked up if their illness persists. A nurse or medical assistant is available at scheduled times. In order for the school to be as efficient with respect to your child's medical needs, please make sure that you complete and return your Emergency Medical Form to the Middle School during the first week of school.

3.04 FIRST AID

We do administer routine first aid and maintain a clinic to comfort children who are injured or become ill at school. First aid consists of applying ice, washing wounds, stopping bleeding, and applying a bandage. Parents or another designated adult will be notified as soon as possible in case of illness or serious injury. Please make sure you have completed and returned the "Emergency Medical Form" sent home the first week of school. Also, be sure to let us know of any changes, particularly phone numbers. It is impossible for us to maintain sick or injured children in the office for long periods of time; therefore, it is the parents' responsibility to arrange for the pick-up of their child.

3.05 LOST AND FOUND

The "Lost and Found" items are located in the office and the cafeteria. Please encourage your child to check for lost articles. Labeling your child's belongings minimizes losses. Unclaimed articles are sent to charitable organizations periodically. Please remind your child not to bring

valuable items to school.

3.06 DIRECTORY INFORMATION

Student directory information (names, addresses, telephone numbers, grade level, etc.) which is not in violation of the Family Educational Rights and Privacy Act may be released to appropriate individuals or organizations without the direct written consent of students (18 years or older) or parents. Such information is usually released in publications such as programs, yearbooks and honor roll recognition lists. Students and parents who do not wish to have their directory information released to recruiters must submit that request in writing to the guidance department no later than September 6, 2019. Parents and students have a right to inspect and review their educational records. Parents may request in writing amendments to the records if there is reason to believe the record is inaccurate, misleading, or otherwise in violation of the student's rights.

3.07 SCHOOL/PARENT ONLINE COMMUNICATION

School information can be accessed on-line. Copley-Fairlawn City Schools Connect service is utilized to deliver the principal's weekly update and other building communications directly to your email inbox. To access, www.copley-fairlawn.org select "Resource" tab, then select "CFCS Connect!" Please click on the appropriate link to register or update your account.

3.08 VISITORS DURING SCHOOL HOURS

No one other than students, teachers and employees of the Copley Board of Education is permitted in the school building without first securing a visitor's pass from the main office. Telephone messages to students are not permitted except for emergency messages from parents. Student visitors from other schools cannot be accommodated. Parents who wish to visit the school are required to register in the main office, and pick up a visitor's badge. Use the Cleveland-Massillon Road entrance doors at the front of the building.

3.09 SCHOOL CLOSING (EMERGENCY)

Emergencies sometimes arise that necessitate closing a school after children have arrived at school. Parents should discuss with their children where they should go or what they should do in case of emergency closings during school hours. Parents will be requested to complete a form to provide information for the purpose of facilitating this procedure. A phone call will also be made through the district's automated calling system.

3.10 SCHOOL CLOSING (WEATHER)

During the winter months there may be times when school must be closed due to bad weather. This decision is made by the superintendent as soon as possible. We will make every effort to see that the closing decision is announced by 6:00 A.M. The decision to close will be carried by radio stations WAKR-AM (1590), WKDD-FM (98.1), WNIR-FM (100), as well as television stations Fox 8 and Channel 5 as soon as they receive notification from our district. You may also call our 24-hour Copley-Fairlawn Hotline at 330-664-4917.

The decision to keep schools open does not mean you must send your child. It means that the buses can run safely and the majority of community activities will be near normal. You must then decide whether conditions in your neighborhood are safe enough for your child to walk to school or to the bus stop. If you do not hear Copley-Fairlawn Schools on the closing list, schools will be open. A phone call will also be made through the district's automated calling system.

3.11 FIRE DRILLS, TORNADO DRILLS, AND SAFETY DRILLS

Fire drills, tornado drills and lock-down drills will be held periodically. Instructions and directions for fire and tornado drills are posted in each room of the building. Students should be aware that setting off false fire alarms or tampering with extinguishers is considered a serious offense, which will result in a suspension, and could include a recommendation for expulsion.

3.12 AFTER SCHOOL ACTIVITIES AND HOURS

Students are permitted in the school at 7:30 am daily if they participate in the parent drop-off which is in the cafeteria. These students must be dropped off in the rear of the building at the cafeteria door (before 7:50) or at the 5th Grade Door (after 7:50). All students dropped off must proceed to the cafeteria for supervision. All students are expected to leave the school building by 3:05, which is our dismissal time, unless they are participating in an after-school activity. Unsupervised groups will not be allowed to use the building or school facilities.

3.13 SPECIAL ACTIVITIES / PROGRAMS

Interscholastic Sports: A wide variety of sports are offered for students to develop athletic skills while learning responsibility and good sportsmanship: boys football, girls volleyball, boys basketball, girls basketball, boys wrestling, boys and girls track, and boys and girls cross country. Interscholastic sports are open to all seventh and eighth grade students. Eligibility standards are established for all participants in these sports.

3.14 AFTER-SCHOOL ATHLETIC CONTESTS

Middle School athletic contests typically begin at 4:00 P.M. and usually end around 5:30. Students who wish to attend these events should make arrangements ahead of time. There will be no phone passes issued to call for rides. Student spectators should ride the bus home and carpool back for the game or stay for Homework Club. There is no adult supervision available until 4:00. Students are not permitted to leave school property to visit local businesses and then return for the game. This is a safety issue because students must cross Cleveland-Massillon Road in heavy traffic. It can also become a legal issue if students disrupt businesses. Attendance at these events is a privilege that can be removed if students choose not to follow the rules.

3.15 ASSEMBLY PROGRAMS

Programs are planned during the year for the education and enjoyment of the student. On the day of an assembly, directions are given to all students about seating and behavior. Courteous, undivided attention of the audience is expected. This is necessary for the presentation of any program. Misbehavior will result in denial of assembly privileges.

3.16 STUDENT COUNCIL

Student Council is a service organization made up of representatives elected from each homeroom. Student Council membership is a position of responsibility and members are expected to meet high standards and to participate in all related activities.

3.17 OFF LIMITS AREAS

Students must have a pass to be anywhere in the building outside their assigned area. These passes should be written by their classroom teacher or office personnel. The use of skateboards, skates, wheeled shoes, and bikes is not permitted within fifty feet of the school. Violators may receive an out-of-school suspension. Teacher desks, cabinets, storage and computers are always off limits.

3.18 PASSES

Official school passes are needed for a student to leave class to report to the office, clinic, etc. (Students are responsible for securing a pass before reporting to a non-scheduled area during the school day.) Disciplinary action will be taken for students who do not follow this regulation.

3.19 SELLING WITHIN SCHOOL

Students are not permitted to sell anything within the school that is not sponsored by the school.

3.20 LEAVE IT AT HOME

There are certain items which should be left at home and usually do not have a place at school. Personal electronic devices, lasers, fireworks, lighters, toy weapons, playing cards, sports cards and other collectibles, comic books, bicycles, pets, sports equipment, large amounts of candy, gum, etc. will be considered in this category. Toy trends may be banned from time to time due to their disruptive nature. Such items will be taken from students and the appropriate disciplinary measures will be applied. ***Cell phones that are brought to school should be turned off and placed in your locker until dismissal unless approved by the teacher for educational purposes.**

3.21 BOOK BAGS

Students using book bags or gym bags for school use must buy a bag that can be stored in lockers. Bags must be kept in lockers during the school day. Students will be permitted to visit lockers at designated times throughout the day to change books.

3.22 LOCKERS

Lockers will be assigned to students by the homeroom teachers. Students are not permitted to share lockers. Lockers are the property of the school and, therefore, may be entered by the administration at any time. C.F.M.S. may also have periodic visits by K-9 units (dogs) associated with the Copley Police Department. The purpose of these visits is to ensure a safe learning environment for all students. Drugs, alcohol, and weapons will not be tolerated in Copley-Fairlawn City Schools. Any illegal materials found in lockers will be confiscated and, if necessary, law enforcement agencies will be notified. Students remaining after school for practices, homework clubs, detentions, special projects, etc. are to take all coats and books with them since sections of the building may be closed. The school provides the only locks which students are permitted to use for hall lockers. Students are required to keep lockers locked at all times. Students should not tell others their combinations and they should always secure their locker. School officials and the Board of Education do not provide insurance or assume responsibility for items missing or stolen. Valuables should not be brought to school. Under normal circumstances, a student does not need to bring more than a few dollars to school. Student fees, etc. should be paid by check. If a student must bring money to school, he/she should turn it into the office in the morning. The school cannot be responsible for money or valuables which are left in lockers or the school building overnight. Each student is responsible for the cleanliness of his/her locker.

3.23 LOCKER ROOM - GYM

Students should not take money or valuables to gym classes or the gym locker room. Students must give items they wish to secure to the instructor.

3.24 SECURITY OF PERSONAL PROPERTY

Theft may occur at school as it does elsewhere; however, by applying preventative measures it can be kept to a minimum. Students should not:

1. Leave any locker unlocked.
2. "Share" hall lockers.
3. Have large sums of money in possession.
4. Tell another student their lock combination
5. Leave valuables, purses, books, etc. unattended.

Once a theft occurs, recovery of stolen items is very difficult. Without eye witnesses or positive evidence, it is next to impossible to recover items. Remember to apply preventative measures and use common sense.

3.25 LOST OR STOLEN PROPERTY INCLUDING ELECTRONIC DEVICES

Items found should be taken to the main office. Students reporting lost or stolen property should check with lost and found in the main office. Student property not located needs to be documented with the main office on an incident report. Administrative discretion investigating lost or stolen property will be used based upon the nature, timing, and circumstances surrounding the incident. Please do not bring to school unnecessary, expensive accessories that cannot be easily replaced. This includes discretionary electronic devices, headphones, etc. Please do not leave electronic devices in an unattended book bag or purse, out in the open, out of sight, or out of your secured locker.

3.26 VIDEOTAPING

For security reasons, the Board of Education uses video cameras on school property and on school buses. Students are on notice that they may be videotaped by these cameras.

3.27 BOOKS, SUPPLIES, MATERIALS, FEES

Books which are provided by the Board of Education are loaned to students. Students are responsible for their care and return. Fines will be charged for books damaged or lost. Books are numbered so accuracy is ensured. Students are to bring any books, papers, pencils, pens or other supplies which are needed.

3.28 BRING YOUR OWN TECHNOLOGY (BYOT)

The BYOT Student Pilot Guideline is consistent with Board policies at the building and classroom levels. **Students must adhere to the District Acceptable Use Policy, District BYOT Policy and the Student Code of Conduct at all times.** Violations will result in appropriate disciplinary action and the potential loss of privilege. Implementation, regulations, and monitoring of the BYOT Student Guideline rest at the classroom level. *Individual teachers/school personnel make all decisions as to the practical and necessity of BYOT in their classrooms.* **CFMS administration may, at any time, suspend or alter the BYOT program for the purposes of safety, security or revision.** Please do not leave electronic devices in an unattended book bag or purse, out in the open, out of sight, or out of your secured locker.

Consequences for violations of the BYOT Student Guideline are addressed in the Student Code of Conduct.

The rules of our playground are made and enforced for the benefit of the student. Most of the rules concern the student's safety. However, some of the rules were made to meet their educational needs. It is a school policy that all children go outside during recess when the recess supervisor is outside. Recess is canceled when it is raining or extremely cold.

3.30 PARTIES

In grades five and six, classroom parties are held at special times throughout the year. These are arranged by the room parents in consultation with the classroom teacher

3.31 PUPIL TRANSPORTATION GUIDELINES

Students eligible to attend Copley-Fairlawn Schools living more than one mile from the building to which they are assigned will be transported. Students may only ride the bus they are assigned. Parents cannot request their child ride a different bus. Safe operation of buses depends heavily on the good behavior and cooperation of riders. From this standpoint, transportation is a privilege and may be forfeited if the guidelines below are not followed.

3.32 STUDENT CONDUCT ON SCHOOL BUSES

SCHOOL BUS RULES

The transportation of middle school students is a privilege which the Copley-Fairlawn Board of Education provides for its students. The fact that the Board of Education provides transportation to middle school students as a privilege and to other students by law does not relieve parents or students from the responsibility of appropriate supervision. The responsibility/supervision of students is the parent's until such time as the student boards the bus in the morning and after the student leaves the bus at the end of the school day. When a student boards the bus, the student becomes the responsibility of the school district. Students must ride their assigned bus and enter and exit that bus at their assigned stop.

Students on the bus are under the authority of and directly responsible to the bus driver. The driver has the authority to enforce the established regulations for bus conduct (Ohio Administrative Code 3301-83-08 and Board Policy EEAC-R). The Superintendent or other district administrator may suspend a student from school bus privileges for a specific period of time, not to exceed the remainder of the school year, for violation of this policy or the regulations found in EEAC-R. Disorderly conduct or refusal to submit to the authority of the driver will be sufficient reason for refusing transportation service to any student. Additional consequences may result from inappropriate behavior and/or failure to follow all the rules and regulations contained in this Student Code of Conduct.

A student shall not interfere with nor disrupt the operation of a school bus through activities which pose a danger to the safe operation of a school bus. Students shall comply with the following requirements:

1. Students must ride their assigned bus and enter and exit the bus at the assigned stop.
2. Students shall arrive at the bus stop before the bus is scheduled to arrive.
3. Students must wait in a location clear of traffic and away from the bus stops.
4. Behavior at school bus-stop must not threaten the life, limb, or property of any individual.
5. Students must go directly to any available or assigned seat so the bus may safely resume motion.
6. Students must remain seated keeping aisles and exits clear.
7. Students must not bring animals on the bus, except those intended for special needs assistance.
8. Students must not throw or pass objects on, from, or into the bus.
9. Students may carry on the bus only objects that can be held in their laps. Equipment such as music instruments, athletic uniforms etc. which cannot be held by students in their seats shall be stored in the rear of the bus. When it is necessary to transport such equipment concurrently with students, space shall be provided to comply with this rule without having students stand on the bus. Equipment required in the assistance of preschool and special needs children shall be safely and properly secured. A clear aisle to the exit door must be maintained at all times.
10. Guidelines will be formulated for the use and storage of equipment and other means of assistance required by handicapped students.

11. Students must leave or board the bus at locations to which they have been assigned unless they have parental and administrative authorization to do otherwise.
12. Students must not put their heads or arms out of the bus windows.
13. Students must not bring items aboard which obstruct the vision of the driver.

In addition, students must not engage in the behaviors listed below as these behaviors could cause physical harm, emotional stress or diversion of the bus driver's attention and/or threaten the safety and welfare of all school bus passengers. Improper behavior includes, but is not limited to:

1. Disrespect to drivers/others.
2. Loud talking, rude or boisterous conduct, yelling out windows or other behavior which is potentially distracting to the driver.
3. Not remaining seated or changing seats without permission. Not sitting properly in seats nor keeping all body parts and other items inside the bus.
4. Eating, drinking, or littering on the bus.
5. Profanity or unacceptable language whether directed at the bus driver or others.
6. Fighting, scuffling, or horseplay.
7. Use or possession of lethal weapons, objects, fire arms, explosives or other dangerous materials which could cause injury to any bus rider or driver.
8. Use of tobacco or related products, lighting matches, cigarette lighters, or any object capable of starting fires.
9. Possession, transmission, consumption of alcohol, drugs or drug paraphernalia.
10. Refusing to promptly obey the instructions of the bus driver, or talking back to the driver.
11. Damaging or destroying parts of the bus or other's property.
12. Purposely annoying other students.
13. Interfering with the movement of the bus.
14. Improperly exiting from the bus, or opening the rear door without permission.
15. Disorderly conduct during loading or unloading the bus, or delaying too long before taking a seat or exiting the bus.
16. Talking at a railroad crossing or when lights are on.
17. Refusing to identify one's self when asked.
18. Riding another bus or getting on or off the bus at another stop without permission.
19. Use of audio equipment on the bus.

School bus drivers shall report in writing to the designated building administrator all rule violations or conduct that justify immediate removal, suspension, or expulsion from school bus riding privileges. When a conduct report is issued by the bus driver, the following options are available to the administrator:

- A. A warning.
- B. Denial of riding privileges for a period not to exceed the balance of the days remaining in the current school year.
- C. Immediate removal from school bus riding privileges.
- D. Detention, I.S.A.P, O.S.S., possible recommendation for expulsion

Lunch pre-payments may be arranged in the cafeteria or on the food service web page. Parents can make payments online utilizing the online link.

3.34 CAFETERIA RULES

1. Purchase all items when going through the line the first time
2. Students should not borrow money

4. Show responsible behavior

Continued misuse of the cafeteria facility may result in students eating in alternate locations.

3.35 LIBRARY / MEDIA CENTER INFORMATION

The school library / media center is a hub of academic activity at Copley-Fairlawn Middle School. A variety of books, ebooks, books on tape, electronic resources and magazines are accessible for student use. The media center staff are available to instruct students how to use the library and improve research skills. During school hours, a pass is needed for the media center unless the student is with his/her class or teacher. Students may obtain a pass from any of their classroom or subject area teachers.

It is possible to access the library catalog (Cat / Cat Jr), electronic databases (including InfoOhio) and the ebook collection online twenty-four hours a day. These sites are located on the Copley-Fairlawn Middle School Media Center homepage.

Student Use of Materials:

3.36 HARASSMENT/BULLYING

Everyone in Copley-Fairlawn City Schools has a right to feel respected and safe. Consequently, our plan to prevent sexual harassment, harassment/bullying because of race, religion, disability and other human differences is as follows:

1. A harasser may be a student or an adult. Harassment may include the following when related to sex, race, religion, disability or other differences:
 - a. Name calling
 - b. Pulling on clothing
 - c. Graffiti
 - d. Notes or cartoons
 - e. Unwelcome touching of a person or clothing
 - f. Offensive or graphic posters or book covers
 - g. Violent acts
2. If any words or actions make you feel uncomfortable or fearful, you need to tell or make a written report to a teacher, counselor, the principal, or the district's Grievance Officer/Coordinator of Pupil Services (330-664-4856).
3. Your right to privacy will be respected as much as possible.
4. The school district will take seriously all reports of sexual harassment and harassment based upon race, religion, disability and other human differences, and will take all appropriate actions to investigate such claims, to eliminate that harassment, and to discipline any persons found to have engaged in such conduct.
5. The School District will also take action if anyone tries to intimidate you or to harm you because you made such a report.
6. This is a summary of the district's policy against sexual harassment and harassment because of race, religion, disability or other human differences. A complete copy of the policy is available at the Board of Education office upon request.

3.37 SEXUAL HARASSMENT AND HARASSMENT BASED ON RACE, RELIGION, DISABILITY OR OTHER HUMAN DIFFERENCES ARE AGAINST THE LAW. DISCRIMINATION IS AGAINST THE LAW.

NONDISCRIMINATION AND ACCESS TO EQUAL EDUCATIONAL OPPORTUNITY

The Copley Local School District is an equal opportunity education institute and will not discriminate on the basis of race, color, creed, disability, religion, gender, ancestry, age, and national origin, place of residence within the boundaries of the District or social or economic background in its activities, programs or employment policies. Please contact the office of Pupil Services with any inquiries or complaints regarding discrimination or denial of equal access relevant to Title II, Title VI, and VII of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, and the Age Discrimination in Federal Assisted Programs Act.

SECTION 504/ADA PROHIBITION AGAINST DISCRIMINATION BASED ON DISABILITY

Pursuant to Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), no otherwise qualified individual with a disability shall, solely by reason of his/her disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. The Board of Education does not discriminate in admission or access to, participation in, or treatment, or employment in, its programs or activities. As such, the Board's policies and practices will not discriminate against employees and students with disabilities, will provide equal opportunity for employment, and will make accessible to

qualified individuals with disabilities its facilities, programs, and activities. No discrimination will be knowingly permitted against any individual with a disability on the sole basis of that disability in any of the programs, activities, policies, and/or practices in the District. As used in this policy and the implementing administrative guidelines, "an individual with a disability" means a person who has, has a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working. For more information regarding protection under Section 504 please contact the guidance office.

INDIVIDUALS WITH DISABILITIES

The Americans with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but all individuals who have access to the District's programs and facilities. The Copley Local School District provides a variety of Special Education programs and services for students identified as having a disability defined by the Individuals with Disabilities Education Act (IDEA). A student can access Special Education services through the proper evaluation and placement procedure. It is the policy of Copley Local School District that ongoing efforts will be made to identify, locate, and evaluate students below twenty two years of age, who reside within the district and have a confirmed or suspected disability in accordance with all Federal regulations and State standards.

Parent involvement in this procedure is required. For information regarding services, activities, programs and facilities that are accessible to and usable by handicapped persons, contact the office of Pupil Services.

It shall be the policy of Copley-Fairlawn City Schools that the education of children with disabilities shall occur in the least restrictive environment; special education programs and services shall be appropriate and designed to meet the unique needs of each child with a disability; to the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, shall be educated with children who do not have disabilities; special classes, separate schooling, or other removal of children with disabilities from the regular educational environment, shall occur only when the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

More importantly, the school wants the parent to be an active participant. To inquire about the procedure or programs, a parent should contact a guidance counselor. Parents who believe their child may have a disability that substantially limits major life activities of their child should contact the principal or assistant principal.

3.38 REMOTE LEARNING

Remote learning will occur if unforeseen circumstances close the school buildings in the Copley-Fairlawn City School District for an extended period of time. If this occurs, instruction will be delivered online or offline by a teacher or educator. Copley-Fairlawn educators will work with families to ensure learning continues even though the school buildings are closed

ATHLETE CODE OF CONDUCT 4.00

Participation in interscholastic athletics is a privilege which provides many benefits. Copley Fairlawn City Schools challenges its athletes with additional expectations and responsibilities. In their pursuit of success in athletics, the athletes of Copley-Fairlawn City Schools are expected to conduct themselves as young men and women who understand the value of healthy bodies and minds. To this end, the following rules and regulations have been developed to help guide our student athletes as they participate in athletics. These rules and regulations are to be read in conjunction with the Board of Education Policy and the Student Code of Conduct.

1. The use, possession, or sale of alcohol or illegal/non-prescription/counterfeit drugs will not be tolerated. The consequences for violation of this rule are as follows:

First offense: An athlete found in violation of the aforementioned alcohol/drug rule will be prohibited from athletic participation by the Superintendent, Principal, Athletic Administrator, and/or Assistant Principal for a minimum of 50% of the contests (including regular season and tournaments), based upon the number of scheduled events. If the athlete agrees to complete an approved substance abuse assessment and successfully follows the recommendations made, the prohibition will be reduced to a minimum denial of participation of 25% of the contests. Refusal or failure to successfully complete the approved assessment and/or the follow the recommendations made may result in a further prohibition, up to and including full denial of athletic participation. Student athletes will be permitted to avoid the application of this rule by virtue of the timing of any infraction. If a violation occurs at or near the end of a sport season, or if the athlete is not in season at the time of the violation, then the penalty will be appropriately adjusted and/or applied to the next in-season sport in which the athlete is a regular participant, i.e., a sport in which the student athlete has participated in previously. Further, student athletes prohibited from participation under this rule may not

avoid the consequences of a denial of participation by trying out for a new sport, i.e., one in which the student athlete is not a regular participant. In such cases, the prohibition would apply to the new sport and the next sport in which the student athlete is a regular participant.

Second Offense: An athlete found in violation for a second time under this rule will be prohibited from participating in all athletics for a minimum of one calendar year from the date of the violation.

Third offense: An athlete found in violation of this rule will be denied participation in athletics indefinitely.

Additional conditions: Penalties for any violation of the alcohol/drug rule shall apply to conduct occurring on school property, at a school or school related function, or if otherwise admitted by the student athlete and/or confirmed by the police. Violations of the alcohol/drug rule may result, at the discretion of the administration, in a loss of any or all postseason recognition for the athlete, including but not limited to attendance at any awards function. Prohibitions from participation imposed for violation of the alcohol/drug rule apply to all levels of athletic competition.

Coach Referrals: Coaches are expected to make referrals to the C.A.R.E. Coordinator for any student athlete reasonably suspected to be engaged in substance abuse. If this referral results in a recommendation for further assessment, the parents of the student athlete will be so advised. A failure to submit to an assessment and/or follow the recommendations developed from that assessment may result in the denial of further athletic participation.

2. The possession or use of any form of tobacco will result in a minimum denial of participation in 25% of the contests of the current season and/or next season in which the athlete is a regular participant, depending upon the timing of the violation.

3. The student athletes participating in the Copley-Fairlawn City Schools sports programs must not engage in acts such as assault, sexual misconduct, theft, vandalism, destruction of property or any other conduct which is of a criminal nature or results in prosecution. Violation of this rule may result in an immediate prohibition from athletic participation for the remainder of the present season and, at the discretion of the administration, may be adjusted and/or extended up to and including an indefinite prohibition depending upon the nature of the violation. This rule shall be applied to student athletes on the date they are determined by the administration to have engaged in or otherwise found guilty of any of the aforementioned or related acts of misconduct.

4. The athletes participating in Copley-Fairlawn City School sports must follow the specific academic eligibility guidelines adopted by the Ohio High School Association and the Copley-Fairlawn Board of Education (provided by AD/Coach).

5. The athletes participating in Copley-Fairlawn City School sports must return all school issued equipment, such as uniforms and protective gear or make payment for lost items prior to being released to participate in a sport during the next sports season. The replacement cost of lost items is determined by the coach and athletic director.

6. The athletes participating in Copley-Fairlawn City School sports must follow the Athletic Code of Conduct, the Student Code of Conduct, and the individual coach's Code of Conduct. Violation of rules contained in these codes of conduct will result in disciplinary action enacted by the coach of the sport in season. Each coach must prescribe rules and regulations for his/her sport. These must be made available to athletes and their parents. Parental and student signatures on the Coach's Code of Conduct indicate that both parents and athletes understand the rules. The following are rules that may be included, but not necessarily be limited to: Absence or tardiness to practice or game; attitude or behavior detrimental to the team; violation of athletic safety rules; curfew violation.

7. If an athlete misses more than ½ day of school (4 hours), then he/she is not eligible to participate in an athletic event that day or evening. Extenuating circumstances can be appealed to administration (e.g. funerals).

8. Student athletes must be passing a minimum of 5 classes for each grading period.

9. Student athletes cannot fail 2 or more core classes (math, literacy, science, history) for each grading period.

10. Student athletes require a minimum Grade Point Average (GPA) of 1.5 for each grading period.

STUDENT CODE OF CONDUCT 5.00

Discipline at Copley-Fairlawn Middle School serves several purposes. Primarily, discipline is the reasonable consequence for inappropriate behavior on the part of a student. In a larger sense, however, a code of conduct exists in order to establish standards for student behavior that ensure the good order and operation of a productive learning environment. The rules and consequences that exist at Copley-Fairlawn Middle School have been established with the best interests of each member of the school community in mind. Discipline is also a teaching tool. Our goal is to be appropriate to the developmental needs of our students.

CONDUCT - STUDENT

The Board of Education recognizes the right of each student to receive an education. The Board further recognizes that the primary responsibility of the Copley-Fairlawn City Schools and its professional staff is to provide all students access to equal educational opportunities and equal consideration under the rules and regulations governing student behavior. These opportunities provide experiences which assist each student in becoming a responsible individual capable of fulfilling his/her role as a citizen.

It is the responsibility of each student, parent and citizen to understand that the school is a community governed by rules and regulations. The major purpose of these is not punitive control; rather, it is the protection of the rights of those who wish to make full use of their educational opportunities.

Those individuals enjoying the rights of education must accept the responsibilities of good citizenship. Students may forfeit their right to educational opportunities when their conduct is such that it disrupts the educational process, deprives others of their rights, or violates the law. The Board acknowledges that deprivation of right may only occur with just cause and by due process of law.

COPLEY-FAIRLAWN B.O.E. POLICY JFC

Discipline actions that may be used include, but are not limited to:

- 1) conferences with parent and/or student
- 2) time out
- 3) loss of privileges such as attending or participating in extracurricular activities
- 4) after school detention
- 5) recess restriction
- 6) Friday detention
- 7) compensation
- 8) suspension
- 9) emergency removal
- 10) expulsion

*School and bus rules are posted on the news bulletin board in the student cafeteria, as well as in the main office.

5.01 DEFINITIONS

Board policies are available through the Copley-Fairlawn City School District website. Students are encouraged to become familiar with them. It is the responsibility of each student to observe the recommendations for and parameters of student expectations as outlined in the student handbook.

Progressive Discipline

Discipline at Copley-Fairlawn Middle School is progressive. Regardless of the stated consequences for rule violations, students who repeatedly violate the code of conduct will face increasingly severe consequences leading from detentions to suspensions to expulsion.

Detention and "Friday Detention"

Teachers or administrators may assign a detention with at least one day's notice. Students are to make arrangements for transportation to or from school in order to serve a detention. The individual teacher or administrator determines detention assignments, and the times in which they are served. Friday Detention is an afternoon detention only. Friday Detention is assigned by an administrator. A note from parent/guardian must be brought into the Assistant Principal's office no later than the day before assigned Friday Detention to reschedule the detention. Students who are absent the day of their scheduled detention will automatically have their detention rescheduled for the next week. Friday Detentions can only be rescheduled once. **Failure to serve a Friday Detention or removal from a Friday Detention will result in an in-school or possibly an out of school suspension dependent upon the offense.**

Public/Community Service

School officials reserve the right to institute public/community service as an alternative disciplinary consequence. Students and parents will be notified if such alternative suspensions are instituted and are available to them. Administrators may design and assign (with parental notification) alternative forms of consequences, such as community service, in-school service, etc.

In-School Alternative Placement (I.S.A.P.)

ISAP is a change of educational setting within the middle school. When students serve ISAP, they report to the ISAP Room for the entire day. Teachers send assignments that are to be completed each day while the student serves the restriction. Work completed during the restriction will be collected for full credit provided it is completed on the day it is assigned. Students who fail to comply with ISAP rules may be suspended Out-of-School. Students are not permitted to participate in or attend regularly scheduled classes or extra-curricular events while serving ISAP.

Out-of-School Suspension (O.S.S.)

Out-of-School Suspensions constitute a complete removal from the educational environment for a period of time not to exceed 10 consecutive school days (out-of-school suspensions can carry over from one school year to the next). Students who are suspended Out-of-School are not permitted on any school grounds during their suspension, and students that are suspended may not attend any school functions on or off school grounds. Students will be permitted to make up school work for an Out-of-School Suspension under the following provisions.

1. Students must contact all teachers via email or on-line classrooms in order to receive work while suspended
2. Students will not be escorted to their teachers to receive their work.
3. Building secretaries and guidance counselors are not responsible for contacting teachers for work.
4. All assignments are to be completed upon the student's return to school at the beginning of the class without exception.
5. All tests and quizzes will be taken on the day of the student's return without exception.
6. Assignments such as labs, speeches, concerts, etc. cannot be made up and will receive no credit.

7. Students receiving an Out-of-School Suspension as the result of not serving an assigned discipline will not be permitted to make up work.
8. Students will be permitted to make up work for up to two separate Out-of-School Suspension assignments. For each subsequent Out-of-School Suspension, the student will not be permitted to make up work.
9. Students expelled from school will not be permitted to make up work.
10. The building administration has the authority to override this guideline as extenuating circumstances arise.

Expulsion

Behavior of a student can be so serious as to justify total removal from the educational program for a prolonged period of time. Expulsion is a removal for more than ten (10) days, but not more than eighty (80) days duration (except in the case of weapons possession). Expulsion can extend beyond the current semester and school year.

Emergency Removal of Students

If a student's presence poses a continuous danger to persons or property, or an ongoing threat of disrupting the academic process, that student may be removed from the premises under emergency removal. In such circumstances the student may not participate in any school function.

Administrative Discretion

Some infractions list administrative discretion as the consequence. Ohio law gives principals the authority to assign disciplinary consequences ranging from after school detentions through 10-day out-of-school suspensions. Students are afforded rights guaranteed by the United States Constitution and the Ohio Revised Code, and their rights will not knowingly be denied or abridged by this Code of Student Conduct or resulting disciplinary actions taken.

Students are subject to all provisions of the Code of Student Conduct whenever on school property or buses, during, before and after school hours, when school is in session or during vacation, and at extracurricular activities involving Copley students. This code shall also be inclusive for the right to exercise authority for the protection of all school staff members and their property.

Consequences for violation of this Code of Student Conduct may include: detention, emergency removal, assignment to ISAP, out-of-school suspension, expulsion, and/or other forms of disciplinary action to help modify behavior or to ensure the safety, health and welfare of other students and staff, and to protect the integrity of the educational environment. Consequences are administered at the building level in accordance with administrative procedures.

Search and Seizure

The following rules apply to the search of school property assigned to a specific student (locker, desk, etc.), and the seizure of items contained in such school property:

1. The administration may enter any area of school property, including storage spaces assigned to students, at any time.
2. Illegal items (drugs, weapons, etc.) or other possessions reasonably determined to be a threat to the safety or security of others may be seized by school authorities at any time.
3. The Board reserves the right to conduct canine searches on school grounds.
4. Principals or their designees are specifically authorized to search any student's locker and the contents of any student's locker at any time without regard to whether the principal/designee reasonably suspects that the locker or its contents contains evidence of a violation of the law or school rules/regulations
5. Principals and their designees are also authorized to search any student's locker and the contents of the locker if the principal reasonably suspects that the locker or its contents contain evidence of a student's violation of the law or school rule/regulation.

Student 1-to-1 Handbook

Introduction

Copley-Fairlawn City Schools is excited to provide a Chromebook to every student for the 2020/21 School Year. The Copley-Fairlawn City School District 1-to-1 initiative will increase student learning opportunities by providing anytime, anywhere technology access that will prepare our students for their future education and career goals. The adoption of 1-to-1 Chromebooks will allow students to access new online and digital content created by our staff in addition to content provided by textbook companies and software vendors.

The 1-to-1 program will also provide Copley-Fairlawn City School students with increased opportunities to communicate and collaborate in a digital environment. We are excited about these opportunities and working with our students as they learn good digital citizenship in a safe and responsible atmosphere.

Copley-Fairlawn City School District students amaze us every day with how they incorporate the tools of their generation into the learning process. We hope that continuous access to a Chromebook will allow them access to software that will inspire their artistic abilities, improve their reading and writing, and push them to think critically.

Ownership of the Chromebook

Copley-Fairlawn City Schools retains sole right of ownership and possession of the Chromebook. The Chromebooks are lent to the students for educational purposes only. Moreover, administrative staff and faculty retain the right to collect and/or inspect Chromebooks, monitor student work and to alter, add or delete installed software or hardware at any time.

Chromebook Distribution

Student Chromebooks will be distributed to all 3rd to 12th grade students at the beginning of the 2019/2020 school year. Students will also receive a Chromebook charger and a protective case that must remain on the device at all times. Students in 3rd to 12th grade are expected to take their assigned Chromebook home each night and return to school with a fully charged device the next school day.

All kindergarten to second grade classrooms will receive a classroom set of Chromebooks for the 2019/2020 school year. Kindergarten to 2nd grade students will be assigned a Chromebook from the classroom set for use during the school day. Chromebooks assigned to kindergarten to 2nd grade students will remain in the classroom overnight and will not be taken home by the students.

Summer Break

Chromebooks issued to elementary and 12th grade students will be collected prior to the end of the school year. Chromebooks assigned to students in 5th to 11th grade will remain in possession of the student over summer break and students will be expected to return from break with a functional and fully charged Chromebook. Students experiencing Chromebook technical issues, damage or loss during summer break should contact the CFCS Technology Department at (330)664-4952.

Student Responsibilities

Students and parents/guardians are solely responsible for the Chromebooks issued to them and must adhere to the following:

- Students must comply with the District's Acceptable Use Policy, Student Handbook and the Student 1-to-1 Handbook when using their Chromebooks.
- Students must bring their Chromebooks to school every day and make sure it is fully charged. A fully charged Chromebook should last at least 8 hours.
- Students must use the district issued Chromebook while in class. The district issued Chromebooks have a consistent setup and a common set of applications making it easier for classroom teachers to plan lessons and manage workflow.
- Students must treat their Chromebook with care and never leave it in an unsecured location.
- Students may not remove or cover the serial number and other identifying labels.
- Students may not attempt to remove or change the physical structure of the Chromebook, including keys, screen or protective casing.
- Students may not attempt to install or run any operating system on the Chromebook other than the ChromeOS operating system supported by the district.
- Students must report any problems with their Chromebook to a teacher, administrator or building media center staff.
- Students may not attempt to repair the Chromebook or take the device to a third-party for repair. All repairs must be made by the CFCS Student Helpdesk or Technology Department.

Care of the Chromebook

Students are responsible at all times for the care of the device to which they are assigned.

- Use only a soft, lint-free microfiber cloth to clean the screen. Do not use window cleaner, household cleaner, aerosol sprays, solvents, alcohol, ammonia, or abrasives to clean the Chromebook.
- Avoid getting moisture and liquids on the Chromebook or accessories.
- Under no circumstances should the Chromebook be left in unsecured or unsupervised areas.
- Avoid placing anything on top of the Chromebook as too much pressure may crack the screen.

- Never place or consume food or drink near the device.
- Extreme heat or cold can harm the Chromebook. Never leave the device in a hot or frozen car or outside in direct sunlight for an extended period of time.

Transporting Chromebooks

Chromebook lids should always be closed and tightly secured when transporting the device. Do not carry the Chromebooks when the screen is open. If carrying the Chromebook in your backpack, avoid over-packing the backpack, placing the Chromebook in the backpack with sharp objects, throwing your backpack or leaving your backpack in an unsafe or unsecured location.

Chromebook Left At Home / Not Charged

Students in 3rd to 12th Grade are responsible for bringing a fully charged Chromebook to school each day. If Chromebooks are left at home or are not fully charged, students are responsible for getting the coursework completed as if they had their Chromebook present. If students repeatedly fail to bring a fully charged Chromebook to school, they may be subject to appropriate disciplinary action as determined by a building administrator

Responsibility for Electronic Data

Students are responsible for the appropriateness of all files, data, apps and Internet history on their Chromebook. While Chromebook Internet activity will be logged and filtered both within the district and off-site, it is still the responsibility of the student to use good judgment when accessing or transmitting data.

The possessing, forwarding or uploading of unauthorized data, photos, audio or video to any website, network storage area, or person is strictly forbidden. Do not access another individual's materials, information, or files without permission. Do not take photos or videos of other students or staff without their permission.

Students may never share, distribute, or otherwise allow other students access to their password or Chromebook. Users of District technology have no rights, ownership, or expectations of privacy to any data that is, or was, stored on the Chromebook, school network, or any school-issued applications. At any time a parent, teacher, or school administrator may request and obtain the password and access to the device.

Chromebook Identification and Personalization

Student devices will be labeled in the manner specified by the district. Devices can be identified based on serial number or inventory tag number. Do not remove or cover any identifying labels or markings.

Students in grades 5 to 12 are permitted to place **school appropriate** stickers on the Chromebook protective cases as long as all identifying labels or markings remain intact and visible at all times. Stickers are not permitted to be placed on the keyboard, screen or any other areas of the Chromebook not covered by the protective case.

Students are permitted to install approved school appropriate apps on their Chromebooks. If storage on the Chromebook becomes an issue, all school required applications have a priority and may require the students to uninstall other apps.

Audio & Sound

The sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. Earbuds/headphones may be used in the classroom based only upon individual teacher approval.

Technical Issues/Damage/Loss

Students should report any Chromebook technical issues, damage or loss to a classroom teacher. The classroom teacher may then direct the student to the building media center, student helpdesk or technology staff if additional service or repair is required. A loaner Chromebook will be issued to students while their assigned device is being repaired. All device policy agreements will remain in effect for the loaner device.

Cost of Repairs/Replacement

The student and parents/guardians agree to safeguard and take good care of the equipment to avoid any theft or damage. The student and parents/guardians will promptly report any loss, damage or problems with the equipment. Damaged, lost, or stolen equipment will be fixed or replaced at the expense of the student and parents/guardians pursuant to Ohio law, including Revised Code Section 3313.642. Failure to pay for damaged, lost, or stolen equipment may result in consequences as permitted by law.
