Do you plan on participating in formal graduation ceremonies? Yes No

If no, you may obtain your diploma by personally contacting the school after formal graduation ceremonies have been completed in May.

If yes, it will be your responsibility to keep informed about graduation ceremony and related rehearsals of the various senior activities and procedures.

PLEASE NOTE

- After a student graduates from Copley High School the student will be considered a "graduate" and no longer have access to services and events available to currently enrolled students.
- Final Transcripts will not be available to students graduating early until 14 days after the completion of the first semester.
