

Copley High School Summer School 2022

Dear Students and Parents:

This year, Copley High School will offer summer school in person from. During this time, students will be able to work on credit recovery and new credit courses (Health and PE). Please see dates and times below for credit recovery and new credit courses.

Credit recovery (FREE) May 31st-June 30th 8:00 am-12:00 pm:

All students are required to earn 21 credits by the end of their senior year in order to earn a Copley High School diploma. These credits are broken down by subject. As a good rule of thumb, we should see the following credits earned at the end of each school year:

- **9th grade: 5-6 credits earned**
- **10th grade: 10-12 credits earned**
- **11th grade: 15-18 credits earned**

If your child has earned a failing grade in one of the core content areas: **ELA, Math, Science, or Social Studies**, he/she should enroll in summer school to recoup that necessary graduation requirement. If your child is not at the earned credit level associated with his/her grade, please consider participating in summer school for credit recovery.

New Credit (SELF PAY) See Dates and Times Below:

Sometimes students like to earn new credit in the areas of physical education and health in order to free up their schedules in the future. If your student would like to participate in one of these courses, they will be offered during summer school as well. New credit summer school is self-pay at \$125.00 per course. Students are able to take both PE and Health during the summer for \$250.00, or they may participate in either as needed.

- Week 1 (May 31-June 3): Health 8:00-12:00; PE 12:00-4:00
- Week 2 (June 6-June 10): Health 8:00-12:00; PE 12:00-4:00
- Week 3 (June 13- June 17 + June 20th): Health 8:00-12:00; PE 12:00-4:00

How do I sign up?

If you are interested in signing up for summer school or feel like you need more information, please fill out the following form by Friday, May 27th. The same form will be used for both credit recovery and new credit courses (Health and PE). If you have any questions for which classes you need to complete for graduation please contact your guidance counselor.
