

Dear Students and Parents:

This year, Copley High School will offer summer school in person from June 3rd through June 28th (No School June 19th for observation of Juneteenth). During this time, students will be able to work on credit recovery as well. Credit recovery allows students to make up credit in a class the student failed during the school year. The recovery course is shorter than retaking the entire course and also allows the student to gain course content and graduation credits. Credit recovery can only be taken by a student who failed a core class during a previous school year. Please see the dates and times below for credit recovery and new credit courses.

**Credit recovery (FREE) June 3rd-June 28th 8:00 am-12:00 pm:**

All students are required to earn 21 credits by the end of their senior year in order to earn a Copley High School diploma. These credits are broken down by subject. As a good rule of thumb, we should see the following credits earned at the end of each school year:

- 9th grade: 5-6 credits earned
- 10th grade: 10-12 credits earned
- 11th grade: 15-18 credits earned

If your child has earned a failing grade in one of the core content areas: ELA, Math, Science, or Social Studies, he/she should enroll in summer school to recoup that necessary credit required for graduation. If your child has not earned the credits associated with his/her grade, please consider participating in summer school for credit recovery.

**New Credit (SELF PAY) See Dates and Times Below (Health & Financial Literacy)**

Some students like to take advantage of earning new credit during the summer to free up their schedules for further coursework during the school year. Copley High School Summer School offers two courses for students that find themselves in this position. **Health** (typically a 9th grade course) and the newly added state requirement **Financial Literacy** (typically an 11th grade course) will be offered for summer school 2024.

New credit summer school is self-pay at \$125.00 per course.

Week 1 (June 3rd-June 7th):	Health & Financial Literacy 8:00-12:00 PE 12:00-4:00
Week 2 (June 10th-June 14th):	Health & Financial Literacy 8:00-12:00 PE 12:00-4:00
Week 3 (June 17th-21st):	Health & Financial Literacy 8:00-12:00 PE 12:00-4:00

**How do I sign up?**

If you are interested in signing up for summer school or feel like you need more information, please fill out the following form by May 30th. The same form will be used for both credit

recovery and new credit courses. There is also a place in the form where you can ask questions about summer school and inquire about what your child needs. Use this form to indicate which classes you would like to take; ask which classes you need for graduation; or simply learn more about our summer offerings.

**Please complete the form below and return to the Copley High School Guidance Office.**

All registrations must be accompanied by a check, cash, or money order for the correct amount, made payable to Copley High School. Registrations can be turned in to the High School Guidance Office by **Thursday, May 30th**. No mail-in registrations will be accepted.
