

Lab Safety

In the event of an accident...

- REMAIN CALM!!!!!!
- Get someone who knows what to do.
- Don't do anything "helpful" unless
 - you are asked
 - someone is in serious danger

Appropriate Dress

- Goggles
- Closed shoes—No Flip flops or sandals.
- Long hair must be tied back.
- Nothing dangling loosely from you.

Safety Ticket

This ticket is a warning.
You have just been issued a safety ticket for violating a lab safety rule.

This ticket is the last warning you will receive this lab period. If you need to be warned again you will be removed from this lab. You will receive a zero on this lab and will not be able to make it up
