REPORTING ABSENCES

When absent from school, a student is to have his/her parents or guardian phone the school 330-664-4823 before 9:00 a.m. on the day of absence so that the reason for the absence will be known. The attendance office routinely calls parents/guardians to verify absence. Parents should not be offended by the call. The call is only to ensure the location and safety of the student. Without parent contact, a student will be presumed unexcused and dealt with accordingly. NOTE: Doctor and dentist appointments should be made after school hours when possible. Regardless of the reason, if a student misses more than 2½ hours of the school day, the student will be charged a minimum of ½ day absence.

SMOKE SIGNALS

Look for it the 1st of each month on the CHS website! Issue submission deadline is the 20th of each month. Issues of Smoke Signals can be accessed on line by:

* Visit [www.copley-fairlawn.org](http://www.copley-fairlawn.org)
* Select School tab; Select Copley High School
* Click on News Tab; Smoke Signals
* Download Smoke Signals
* PDF icon listed below desired month

Email all submissions in Microsoft Word to Carol Hurd at: carol.hurd@copley-fairlawn.org

Submissions received after the deadline will be published the following month.

Hard copies of Smoke Signals may be picked up in the main office or mailed by request. If you would like your issue mailed, please email your information to Carol Hurd.

Please Remember:
The circular drive in front of Copley High School is closed to any traffic on both sides in the morning 7:00 to 7:30 a.m. and at the end of the day from 2:10 to 2:40 p.m. This is necessary to allow our buses free access and to provide a safe loading and unloading area for our students. Please do not drop off/pick up or park on the circle in front of the building at these times.
This fall, incoming juniors who have a cumulative GPA of at least a 3.65 will be eligible to apply for membership in to the Copley High School chapter of the National Honor Society. The four pillars that will be examined for membership will be character, leadership, scholarship, and service. Eligible students will be notified in September and given an application. Please contact Mrs. Mary Miller if you have any questions, mary.miller@copley-fairlawn.org.

Copley High School AP Chemistry Class Visits Americhem HQ in Cuyahoga Falls, Ohio

CUYAHOGA FALLS, Ohio (March 23, 2019) – Americhem, a globally recognized designer and manufacturer of custom color masterbatch, functional additives, engineered compounds and performance technologies, invited Copley High School’s AP Chemistry class to visit their headquarters and one of their manufacturing plants in Cuyahoga Falls, Ohio.

On May 21st, the class visited Americhem, a 78-year old, family-owned company, which uses its advanced technologies to manufacture a variety of polymeric products that enhance the durability, weather-resistance and appeal of products used by consumers every day. Some examples of products that Americhem’s compounds and masterbatches go into are WeatherTech® FloorLiners, PetComfort® pet feeding systems, Ford® cars and trucks, field turf at the 2020 Summer Olympic Games, sports stadium seating such as Orlando City Soccer Club, surgical instruments, marker caps, soft drink bottles, milk bottles, and exterior home components such as siding, fencing, and decking. The students got to see all aspects of manufacturing, analytical analysis, testing, color design and research and development. They spoke with chemists, engineers, production managers, student interns, plant managers, quality managers and corporate staff.

During the manufacturing plant tour, Jim Huston, Americhem’s Plant Manager of their Streets Corners, Cuyahoga Falls location, asked the students what ‘viscosity’ was. Jim was simply looking for the answer, “how thick or thin a fluid is,” but the students retorted back with, “the resistance of a fluid to deformation while under stress.” Jim was amazed by the perfect textbook answer that the class gave! This was a proud moment for all Copley High School AP Chemistry class teachers.

2019 PSAT Planning for Sophomores and Juniors

The Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/MNSQT) will be given to tenth and eleventh grade students in mid October at CHS. Students that plan to take the SAT should take the 2019 PSAT/NMSQT in October. The PSAT/NMSQT measures verbal and mathematical reasoning and writing skills, making it an excellent preparation for the SAT. The PSAT/NMSQT will provide students with personalized feedback on college success skills that will be tested on the SAT.

Students who plan to take the PSAT and who have accommodations through an IEP or a 504 need to see their counselors immediately. Counselors must complete paperwork in mid-August to request those accommodations. That application would need to be started in June.
