## Introducing our NEW K-2 Program

This is a Co-Ed program open to all kids kindergarten through 2nd grade with a focus on building basic lacrosse skills. Please attend one of our kickoff meetings or email [copleylaxclub@gmail.com](mailto:copleylaxclub@gmail.com) for more information

Lacrosse combines the speed of hockey with the endurance, agility, and strategy of soccer and basketball. Our Copley kids are loving it, so check it out and join us.

We are open to everyone from all backgrounds regardless of your school district. Come out and find out why lacrosse is one of the fastest growing games today. We are a developmental league for boys and girls in grades 3-8. Our goals include teaching lacrosse and the skills learned on the field are also life long-skills about teamwork, accountability and dedication.
